Granizo - Ocoa

La Campana National Park

This National Park, La Campana, was named by UNESCO, a World Biophere Reserve. On the way, you will go through a picturesque town, Olmué, known by its microclimate during the whole year. This is a beautiful trekking through ravines, under oak and palm forests and sunny hillsides where you will experience different smells and freshness that arise from the ground and leaves of our native trees. Panoramic view, from the highest point, of the Andes Mountain Range and the Pacific Ocean.
